REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of the Court, Auditors, Superintendent of County Farm and House of Correction, Farm, Physician, and Chaplain for the year ending December 31, 1939.

COUNTY FARM

The year 1939 brought no change in the administration of affairs at the Farm. Ever since the new hospital addition was built, there has been an almost constant increase of applications for care which has resulted in practically a capacity population most of the time. The buildings are all in good condition, as all repairs are being made at all times when needed. Once again we are glad to be able to express our appreciation to Superintendent and Mrs. Lorden and their efficient staff which has made the present satisfactory condition possible. We are not unmindful of the faithful service rendered to the sick by Dr. A. A. Beaton, who so promptly responds to all calls to those in need of medical care. An invitation is extended to all those interested to read the report of the Superintendent, on another page, for full details pertaining to the Farm.

WELFARE AND RELIEF

Statistics show that the number of relief cases chargeable to Merrimack County dropped from 755 on January 1, 1939 to 698 on January 1, 1940. Under the new settlement law which went into effect on June 1, 1938, 75 cases which had been the financial responsibility of the several towns and

cities prior to the new law, were transferred to the County and became its responsibility.

The effect of this new law will be that eventually the Counties of the State will be required to finance a very large percentage of the poor relief, with no reimbursement from the State or Federal Government.

As the County has no source of income except direct taxation, we believe some change should be made in the law to relieve this situation, possibly by diverting to the counties, cities and towns some of the revenue received by the State from other sources of income other than direct taxation on real property. Under the present law, neither the State or Federal Government make any reimbursement for regular relief, aid to soldiers, or child boarders to the counties, cities or towns. Old Age Assistance is financed 25% by either the towns, cities or counties, 25% by the State and 50% by the Federal Government.

FINANCES

The Financial Balance Sheet on the following pages show that the finances of the county are in a very satisfactory condition. The county debt was reduced \$33,213.12 for the year 1939 and the county tax was reduced \$22,677.65 below the 1938 assessment. Expenditures were kept \$47,627.81 inside the appropriation made by the 1929 legislative delegation. Cash on hand at the end of the year was \$72,654.09. After deducting \$20,701.32 to cover outstanding bills which had not been presented for payment at the close of the year, leaves a balance of \$50,952.73 available for reduction of the county tax budget for 1940.

In submitting this report, we wish to thank the members of the 1939 convention, the several overseers of the poor in the cities and towns and to all other officials and citizens for their co-operative interest and help in a time which it is so much needed.

Respectfully submitted,

ARTHUR H. BRITTON,
G. CARROLL CILLEY,
GEORGE W. PHILBRICK,
Commissioners of Merrimack County.

We hereby certify that we have carefully examined the accounts of the County Commissioners and Treasurer and cash accounts of the Superintendent of the County Farm for the twelve months ending December 31, 1939, that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price and all such articles have been used for the benefit of the county, according to the best of our information, knowledge, and belief; and that the charges for expenses of the County Commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there were outstanding bonds of the County amounting to \$80,000.00 and outstanding notes amounting to \$38,000.00 as of December 31, 1939.

During the past year the tendency towards hospitalization has been more in evidence than previous years. In fact at the present time all of the first floors of both old and new buildings are being used as hospital units. Over sixty trays are served each meal to patients who are unable to go to the dining-rooms.

If this condition continues to grow it is evident that the

future cost of maintenance at the "Farm" is sure to be higher.

In closing this report we wish to extend our appreciation to the Board of County Commissioners for their courteous treatment, counsel and cooperation during the year. We wish also to include our physician Dr. A. A. Beaton; Rev. Asa M. Parker and Rev. H. J. Hennon.

Personal thanks are extended to our staff of faithful officers and nurses who are directly responsible for whatever success we may have had during the past year.

Our Christmas tree and entertainment was again conducted by the Concord Federated Business Woman's Club. They furnished several presents for each member of our large family and also put on an excellent entertainment which was attended and enjoyed by all. In fact we owe a great deal to the different organizations and people of Merrimack County who have been so thoughtful of us during this past year. We do appreciate this but the individual obligations are too great for personal mention.

Respectfully submitted,

J. M. LORDEN, *Superintendent.*

BELLE E. LORDEN, *Matron.*

REPORT OF THE PHYSICIAN

To the Honorable Board of Commissioners of Merrimack County, I submit the following report:

1939 has been a busy year. The hospital has been filled to capacity practically every day of the year—most of the patients aged and suffering from chronic disease. There has been quite a number of pneumonia cases with 4 deaths.

The nurses have been very busy and diligent in their care of the sick. The sick have been provided with everything needed for their comfort.

I wish to thank the nursing staff and commend them for their diligence and attention to the sick.

In closing this report I would be ungrateful if I did not express my sincere appreciation to the commissioners, superintendent and matron for their splendid cooperation.

A. A. BEATON, M. D.

REPORT OF THE CHAPLAIN

To the Commissioners for the County of Merrimack:

As Chaplain at the County Farm my report is the simple statement of largely routine duties, 18 preaching services conducted personally, two others provided for in my absence, 4 funerals, some hospital visitation, Christmas carol singing provided by the Junior choir of the Boscawen Church in the hospital wards and the pleasure of being a guest at the biennial visitation by the Merrimack County legislators in May and at the Christmas party in December.

Again it is a real pleasure to acknowledge the splendid cooperation of Superintendent and Mrs. Lorden and all the members of the staff and the faithful help of the group of members of the Home who make up the choir for the Sunday services.

The Concord Professional and Business Women's Club again provided a most wonderful program for the Christmas party and a generous supply of gifts for everybody, old and young, and for all other cooperation by the Franklin Women's Christian Temperance Union and other organizations conducting services and providing gifts and reading matter, the Chaplain is deeply grateful.

Respectfully submitted,

ASA M. PARKER,
Chaplain.

In addition to the investigation and prosecution of felonies by inditments in the Superior Court, there has been the prosecution and handling of numerous complaints in the various Municipal Courts within the County.

Juvenile problems arising in the several Municipal Courts have been investigated, and assistance has been rendered by the New Hampshire Child Welfare Department and other social agencies. Non-support cases have been very numerous in the County and in most instances were adequately handled by the City and State Probation departments to a satisfactory conclusion.

All complaints, whether misdemeanors or felonies have been investigated under supervision of this office by the City, Town and State Police or the Sheriff's department either separately or jointly. Complete and adequate reports concerning the same have been filed with this office and prosecution was instituted when deemed advisable and proper.

Certain recommendations could be made which would increase the efficiency of this office, but the Solicitor hesitates to specify them because of the additional expense which they would entail by placing added tax burdens upon the citizens and tax-payers of the County.

Respectfully submitted,

RAYMOND K. PERKINS,
County Solicitor.

The loan item of \$1200.00 which appears in the receipts and expenditures was necessary to meet current bills of the first four months of 1939 as no county funds were available until May 10, 1939 when the County Convention approved the county budget for 1939 and 1940.
